

LENNOX AGRICULTURAL SOCIETY EMERGENCY PLAN

PURPOSE:

to protect the community and surrounding areas of pending dangerous situations

STAGES:

Assessment

- DO NOT PANIC
- Assess the hazards and risks; determine if the situation is an emergency.
- When in doubt treat it as an emergency.
- Begin first aid if qualified.

Notification

- STAY CALM
- Call 911
- Send a bystander if cell phone not available.
- Notify other members of the situation so they can be prepared.

Secure Area

- Evacuate all humans and animals if necessary.
- Keep crowd safe distance back from area.
- Do not let crowd block emergency vehicle access.
- DON'T BE AHERO
- Do not allow anyone in emergency area including yourself except qualified emergency personnel.

Cooperation

- Tell paramedics, firemen, or OPP any details they wish to know.
- Have first fair member that responded to emergency report his/her findings to authorities.
- Help the emergency personnel when asked to do so i.e.: crowd control.

DO NOT INTERFERE WITH EMERGENCY PERSONNEL PROCEDURE.

SAFETY IS EVERYONE'S CONCERN.

PREVENTION IS A GREAT SAFETY TOOL.

If you see something that is unsafe or has the potential of being unsafe, please advise a safety committee member so we can make it SAFE!
